NOTES—First Sheet.

2

MEMO OF INTERVIEW WITH THE DEWAN.

Friday, 3/5/ *1918.*

Name of Interviewer—

Biligiri ayengar Lucs

Representation in brief—

Seeks employment in the medical Dept.
Is a Mysorean.

note

May be referred to Surgeon for needful action

I understand that only 3 Mysore students passed the Lucs this year & none the worse. There is probably need for men in the Dept - there is every chance of their being absorbed

WD A 1789—GPB—60,000—20-8-18—S.

22 Reference:- Dewan's note dated the 1st 1918.

...

Both Mr. Seshachellam, L.M.S. and Mr. Biligiri Iyengar, L.M.S., have been appointed as Sub Assistant Surgeons, First Class. Mr. Sankara Rao, a Mysorean, who passed this year has also been appointed as Sub Assistant Surgeon, First Class. (G.O. No.G.2304-6/Med.19-17-22, dated the 10th July 1918).

2. The Senior Surgeon states that three Mysore students who passed out of the Medical Colleges this year have been appointed as Sub Assistant Surgeons, First Class. From the lists furnished by the Principals of Medical Colleges, it is seen that four Mysoreans passed the Final L.M.S. Examination this year As the fourth Mysorean Mr. C. Krishna Rao (a private candidate) did not apply for an appointment here, no action is necessary in his case. As however there is a difference between the number furnished by the College authorities and that given by the Senior Surgeon, the latter has again been asked to give a complete list of Mysore students that passed this year and his reply is awaited.

S + J

3. Two statements are put up showing the names of Mysore students under training in the Medical Colleges as scholarship holders

holders and private students. It will be seen that twenty students (8 scholarship holders plus 12 private students) are under training in the Indian Colleges in the 3rd, 4th and final year course. We may reasonably expect about 15 of these to fully qualify themselves during the next three years. The number of vacancies likely to occur in the Medical Department during the next three years is eight.

4. The number of Medical scholarships has been recently increased from 2 to 6 and the rates also have been increased from Rs. 25 to Rs.40 in the case of graduates and to Rs.30 in the case of others. In selecting applicants for scholarships the Inspector General of Education and the Senior Surgeon will be asked to give due consideration both to qualifications of the candidates and the necessity of making adequate provision for the representation of backward communities. As a matter of fact it may be stated that whenever there has been an applicant belonging to such classes preference has been given to him and a scholarship awarded to him. In the Madras Presidency though special facilities are given to Muhamadan students to join the Medical Profession and a special rate of scholarship awarded, the Surgeon-General recently pointed out that very few Muhamadans could be induced to take up the profession. The reasons are the Medical course is a very difficult and exacting one and persons belonging to the backward communities find other careers more attractive and less risky.

5. As there are sufficient number of men under training, there is no need to apprehend any difficulty in the matter of recruitment to the Medical Department in the next three years, scholarship holders being under an obligation to serve. It may not be out of place to mention here that for several years more a great demand for medical men is anticipated and this has a great influence over the market supply. The Colleges are already overcrowded and except in the way of providing for our own requirements in Government service etc. no special encouragement is required. We have already taken steps in this direction by increasing the number and rate of scholarships.

6. There is no Mysore student studying medicine in Foreign countries. It seems to be desirable to send out one man for training say once in three years, so that we may have a succession of Foreign trained officers. The Secretary, Departments of Education and Agriculture, however, considers that it is necessary to train local men immediately in the three following subjects, viz, Dentistry, Special Diplomas in Medicine as distinguished from Surgery and Diseases of women and children and that three Foreign scholarships may be provided successively for next three years and one thereafter once in three years.

I beg to suggest also that one or two men should be trained for the Public Health Dept

Bangalore,
3rd May 1918.

To

Sir M. Visvesvaraya, B.A., M.I.C.E., K.C.I.E.,
Dewan of Mysore, B a n g a l o r e .

Sir,

In submitting herewith my application for an appointment in the State Medical Service, I beg to represent the following additional circumstances in support of my application:

(1) That I am a Mysorean.

(2) That I passed the L.M & S Degree Examination last month and the preliminary examinations in the previous years in my first attempts.

(3) That throughout the Medical Course I was an unstipended student.

(4) That I belong to an old and respectable family which has rendered long and faithful service to the State.

(5) In consideration of my having obtained the degree at my own expense, I beg that the Government may be pleased to appoint me in the State Medical Service granting me some special concession over and above that shown to State-aided students.

(6) I am prepared to execute an agreement to serve the State for not less than five years.

I beg to remain,
Sir,
Your most obedient servant,

J. Seshachalam.

Bangalore.

Dear Sir,

Your D.O. No. G.426 dated 5/13.7.18

Information has been received about the Mysore Students studying in the Grant Medical College, Bombay. But the Principal, Medical College, Madras, has not yet given a reply. The delay is probably due to the College having just reopened for work, after the summer vacation. I expect a reply in a day or two, when my reply to Government will be submitted. A reminder has, however, been sent to the Principal.

Yours sincerely,

C. S. Balasundaramier Esq, B.A.,
Chief Secy. to Government, Bangalor

Department, Bangalore.

Sir,

With reference to your letter No.6460-Med.106-17-1, dated 17th May 1918, requesting me to furnish a statement showing the number of Mysore Medical students who have passed out of the Medical Colleges and are eligible for appointment this year, I have the honor to state that the marginally name three candidates that passed out this year have been appointed as Sub Assistant Surgeons, I class, under the auth ority of G.O.No.G.2304-6/med.19-17-22, dated 30th July 1918.

(State Scholar) Mr. M. Shankar Rao, B.A.
Mysore Stipendiaries { Mr. S. V. Biligiri Iyengar
Mr. T. Seshachalam.

P
with the list & file

As regards stipendiaries studying in the British Indi an Medical Colleges, from the statements received, it is gathered that there are 4 in the Madras Medical College, 4 in the Grant Medical College, Bombay and 1 in the Lady Hardinge's College, Delhi Of these, 6 are in the final year, one in the 4th year's course, in the 3rd year's course and 1 in the preliminary course (out of the seven years' training) of the Delhi College. It is not possible to say how many of the candidates in the final year's course, may pass in the next examination. As regards, how many that may pass can be provided with places in the service, I have already submitted in my letter No. C.C.638-5 dated 11th June 1918, that 8 vacancies are likely to occur in the officers' grade in the usual course, during the next three years.

Recruitment of Medical offrs.

Serial no.	Suggestions made by the Chief Secretary	Suggestions made by the Secretary Education Dept.
1	There are 25 Mysore Students (9 scholarship holders & 16 private students) now undergoing in the Indian Colleges. As the number of vacancies likely to occur in the Medical Department during the next 3 years is 8, there is no need to apprehend any difficulty in the matter of recruitment to the Med. Dept. in the next 3 years.	
2	There is no Mysore Student studying Medicine in Foreign Countries now. It is desirable to send out one man for training once in 3 years.	It is necessary to train them in Medicine in particular in the three following subjects, viz Bacteriology, Special Diseases in Medicine as distinguished from Surgery and Diseases of Women and Children. Also one or two men should be trained in the Public Health Dept.

for the next five years.

Orders of the Secretary of State	Number of Students, by Class, to be admitted
	Indian — Foreign
With the Imperial Faculty is established, we shall see that sufficient numbers of Physicians are trained in India & Europe for the Medical Dept. which hereafter require a large number of well-educated men with new functions, as there will be retirements and also vacancies consequent upon opening of new dispensaries specially under the Medical Department. It is necessary as hitherto that we send one student, preferably one in the Service to be trained in modern sanitation, public Health, Tropical Hygiene & Diseases & other allied questions, so as to be able to give expert local advice under the S. G. Scheme & Cattle Fatality Commissioners in future.	I Yr. 1 yrs II Yr. 1 yrs yr. 1 yrs 4 1 yrs 5 1 yrs.

Office of the Senior Surgeon, Mysore Govt.

Dated Bangalore, 2 3 -- 12 -- 1918

From

Rajakarya Pravina Rao Bahadur
T. V. Armugam Mudaliar, Esq., M. B., C.M.,
Senior Surgeon with the Government of
H. H. the Maharaja of Mysore, Bangalore.

To

C.S. Balasundaram Iyer, Esq, B.A,
Chief Secretary to the Government of
H. H. the Maharaja of Mysore,
Department, Bangalore.

Sir,

In reply to your letter No.G.2823 dated the 7th August 18, I have the honour to state that, besides the three candidated named in my letter No.52-2 dated the 3rd August 1918, who passed their L.M.S. Degree Examination and were entertained as 1st Class Sub-Assistant Surgeons, one more candidate, Y.N. Krishna Murthi who was receiving a Sub-Assistant Surgeon's scholarship for studying in the Madras Medical College, passed his L.M.S. in the Examination held in October last and reported himself for orders and has been also entertained as a 1st Class Sub-Assistant Surgeon as sanctioned in G.O.No.9225-6 Med.11-18-8 dated the 22nd November 1918.

According to the allocation list appended to the recent G.O.No.11538-9-Med.29-18-2, dated the 14th December 1918, the names of Assistant Surgeons, Karve, Mascarenhas and Fernandes, who have been serving in the Public Health Department for a number of years having been altogether omitted, messrs. Krishna Murthi Rao, Nanjappa and Nanjundaiya get permanent places in the 1st Class of Assistant Surgeons. Their names could be omitted in the list of 2nd Class Assistant Surgeons. The 1st places in their class will be filled by officers beginning with Mr. T. Balakrishna Mudaliar up to Mr. C. Krishnasawmi Rao, Mr. H.Shama

Subject

Re: the entertainment of passed medical graduates

Shama Rao having since resigned the State Service. The Temporary vacancies caused by the loan of an extra officer to the Military Depot at Bangalore and of Mr. Krishnamurthi Rao to the Public Health Department will be filled by Messrs. M. Hiriyannaiya and S. Chokkam Iyengar whose substantive place will be in the cadre of Medical Graduated.

3 Thus there are two temporary and seven permanent vacancies in the cadre of Medical graduates under the revised scheme. There are now only 3 Medical graduates serving as 1st Class Sub-Assistant Surgeons and after absorbing these in their proper grade, there will still remain four permanent and two temporary places vacant to provide for any Mysore Medical graduates that may apply for entertainment.

4 In this connection I request that the lists of Mysore Students studying in Madras and Bombay which I received from the College authorities of Madras and Bombay and from the Inspector General of Education Mysore, were taken away in original by the caseworker Mr. K. Panduranga Rao of your Office for the Assistant Secretary's reference. These may kindly be caused to be returned to this Office.

I have the honour to be,

Sir,

Your most obedient servant,

Senior Surgeon.

Retn No 225/19
Dis No G26259 22/5/19

Proceedings of the Government of His Highness
the Maharaja of Mysore.

R e a d.

Government Order No.11754-5/Edn. F.15-96 dated 12th February 1903, approving among others of the rules of award of scholarships of Rs.25/- each per mensem to candidates studying for the Degree courses in Medicine in the Medical Colleges at Madras and Bombay.

2. Government Order No.J.6583-5 dated 29th June 1904 reducing the number of scholarships awarded each year from 3 to 2 and directing that only Graduates need apply in future for these scholarships.

O r d e r No. 1112-4/Edn 37-18-2

Dated, Bangalore, the 2nd August 1921

As there is at present paucity of qualified candidates for appointment in the Medical Department, and as further the Institution of the Medical Faculty in the Mysore University has been postponed, Government consider that special facilities should be afforded to candidates desirous of studying for the Degree in Medicine in the Colleges at Madras and Bombay they are accordingly pleased to direct that the number of medical scholarships be increased to six for the next five years. The present rate of scholarships viz., Rs.25/- per mensem which was fixed years ago being inadequat Government are pleased to direct that during the above period, the value of each of these scholarships be fixed at Rs.40/- for graduates and Rs.30/- in the case of others. The expenditure on account of these scholarships will be met from the Education budget, funds being found during the current year by re-appropriation of sanctioned grants.

The selection

The selection of candidates will be made by the Inspector General of Education in consultation with the Senior Surgeon in Mysore and the recommendation submitted to Government for approval.

for Secretary to Government,
Departments of Education and Agriculture.

The Inspector General of Education in Mysore.
The Comptroller, Mysore Government through Financial Secretaria
